**RE: Joint Application and Petition of South Carolina Electric & Gas Company and Dominion Energy, Incorporated for Review and Approval of a Proposed Business Combination between SCANA Corporation and Dominion Energy, Incorporated, as May Be Required, and for a Prudency Determination Regarding the Abandonment of the V.C. Summer Units 2 & 3 Project and Associated Customer Benefits and Cost Recovery Plans
Docket No. 2017--370-E**

Dear Ms. Boyd:

On August 2, 2018, South Carolina Electric & Gas Company ("SCE&G") filed the direct testimony of Kyle M. Young and Allen W. Rooks in Docket No. 2017-370-E. Upon review, it has come to SCE&G's attention that the testimony of Kyle M. Young contains a sentence that is no longer accurate following the execution of a Right of Entry Agreement by SCE&G, Santee Cooper, and Fluor Enterprises, Inc. on June 25, 2018. The sentence that is to be deleted is found on page 44 of the testimony and reads: "SCE&G has offered to transfer ownership of materials to Santee Cooper, which Santee Cooper is considering." The deletion of this sentence is the only change made to Mr. Young's testimony. No other revisions to the testimony were made. Therefore, please find enclosed revised pre-filed direct testimony of Kyle M. Young, which is meant to replace Kyle M. Young's testimony filed August 2, 2018

Additionally, upon review, SCE&G has determined that it is necessary to revise Exhibit 1 and Exhibit 2 that accompanied Allen W. Rooks' testimony. These revisions are necessary to conform with the discovery in the case, specifically, the percentage deduction in the Tax Rider for the Customer Benefits Plan (Exhibit 1) and No Merger Benefits Plan (Exhibit 2) should be increased as disclosed in SCE&G's response to ORS's Utility Rates Request 11. This change is necessary to generate the required level of revenue reduction in light of the otherwise-proposed 3.5% reduction in retail electric rates. This adjustment is further explained in SCE&G's response to ORS's Utility Rates Request 13. These revised exhibits conform with the percentage

Womble Bond Dickinson (US) LLP is a member of Womble Bond Dickinson (International) Limited, which consists of independent and autonomous law firms providing services in the US, the UK, and elsewhere around the world. reductions presented in response to Utility Rates Request 11. Therefore, please find enclosed Exhibit 1 and Exhibit 2 to Allen W. Rooks' testimony, to replace those filed on August 2, 2018. No revisions to Mr. Rook's testimony and no other revisions to the exhibits were made.

Finally, we have noticed that in SCE&G's Request for Leave to Depose Certain Individuals, dated August 13, 2018, Docket No., 2016-223-E was twice incorrectly cited on page 4 as Docket No. **2017**-223-E. In as much as the Hearing Officer has already ruled on the request, a revised document is not being filed but this letter is being provided to put the parties on notice of the typographical error and to eliminate any potential confusion as to the intended reference.

Respectfully submitted,

/s/ Belton T. Zeigler
